

## special reimbursement of medical expenses

### **Social security benefits**

#### **Article 72 (3) of the Staff Regulations**

Where the total expenditure not reimbursed for any period of twelve months exceeds half the official's basic monthly salary or pension,

special reimbursement shall be allowed by the appointing authority, account being taken of the family circumstances of the person concerned,

in manner provided in the [[Joint Rules on sickness insurance for officials of the European Communities](#), see Article 24].
